**Directions for SRST webmeeting**

Go to [www.connectmeeting.att.com](http://www.connectmeeting.att.com)

Enter meeting number 8007259697, code 8720057, your email address and name and click Submit.

Click "Participant" on next screen.

The first option will download and install a small client app and then take you to the meeting. If you don't want to do this, or if you have a non-Windows PC, click the second option. That will also take you to the meeting. You can ignore (close) the "Telephone Connection Instructions" dialog that initially comes up.

When you are in the meeting, you may want to enlarge the shared content. Click the "Enlarge" button in the web based app or the "Whiteboard" button in the client app.

If you want to download and install the client app, suggest you do this ahead of time.

You can go to the web address above and click on the Downloads button on the left and follow the instructions for downloading and installing the app.
